OUR GUARANTEE

CUSTOMER should understand: That after the stock leaves our hands we have NO CONTROL over how and when planted, weather, soil, how watered or cared for, nor winter killings. WE WANT SATISFIED CUSTOMERS—So if our directions are carefully carried out and payment of the account has been made when due, we will resupply once at one-half of the current price all stock which fails to start, provided it is reported to us by October 1 following date of purchase. (Labor for planting of all replacements is charged for on the same basis as new plantings.)
